## PAISARN OSCAR AM-PIN

Painting

Size 500 x 400 x 600 cm

### Landscapesociety No.7 - No.8

Mixed media

212 x 153 cm

เมื่อผมมองเห็นสิ่งใดสิ่งหนึ่ง มันทำให้ผมเห็นอีกสิ่งหนึ่งเสมอ เช่น การย้ายถิ่นฐานหาโอกาสทำมาหากินของคนจนเมือง ผมมองเห็นโครงสร้างอันไร้ประสิทธิภาพของการจัดการโดยรัฐ บุคคลเหล่านี้ไม่เพียงแต่ดิ้นรนเอาตัวรอด แต่กลับถูกมองผ่านและเพิกเฉย ค่อยเข้าไป เป็นต้น

When I see something, It always makes me see another thing, such as immigration to find opportunities for the livelihood of the urban poor. Instead, I saw an inefficient structure of state management. These people were not only struggling to survive, but their efforts were even looked over, ignored, etc.

#### ABOUT ARTIST

Born and raised in KhonKaen, northeastern of Thailand. Have interested in the society issues and express through sculpture, installation, painting, video art and mixed media by looking at the scope that connects through people and looking through historical, political, economic perspectives, capitalism, power, culture, patronage, economic and social networks, the environment, and others. Interests in people's lives that are full of diversity, complexity, fighting, movement. and the movement of people in a subaltern state
